

Ad Request Form Information

There is no template nor are there any format restrictions for ads that appear in IJCO. This distinguishes an IJCO ad from an insertion in the IJCO Coaching Marketplace or Coaching Calendar. Subscribers and non-subscribers alike may place ads in IJCO. Note: Ads must be high resolution (i.e., at least 600 dpi) and submitted in either Adobe Illustrator or Quark Express format. Ads submitted in other software will not be accepted. Ads will be in either half page (up to 4 column inches maximum) or full page (up to 8.25 column inches maximum) size. Half or full page ads will appear in the body of the journal. A full page ad also may appear on the inside front or back cover, if available. When there is more than one request for inside cover ad placement, the Co-Executive Editors reserve the right to select and place the ad they choose in that location. Persons who did not receive their requested inside cover ad location will be reimbursed the cost difference for the ad.

The Co-Executive Editors may ask you to revise an ad to comply with the spirit of IJCO. If there are any questions or issues regarding your ad, one of the Co-Executive Editors will contact you to resolve them in a timely and satisfactory manner. The Co-Executive Editors may decline to place an ad if it is felt to be inappropriate for IJCO. In that case, you will receive a full refund.
